

September 2025

Dear Friends of the Averill Park Education Foundation,

We are excited to invite you to join us as a member of the Honorary Committee for the 19th Annual Averill Park Education Foundation Gala, to be held on Friday, November 14, 2025, at The Crooked Lake House.

Each year, this event brings our community together to celebrate student achievement, honor outstanding educators and volunteers, and raise funds that directly support our schools. With your generosity, the Foundation has invested nearly \$500,000 in funding to the Averill Park Central School District. Over the years, support from donors like you made possible:

- 24 DSLR Cameras for the high school digital lab, ensuring equal access for all students in Photography, Digital Art, and Graphic Design
- Launch of a district-wide Ukulele Program for more than 425 fifth- and sixth-graders
- A student mural project at Algonquin Middle School, created in partnership with AP alum Eugene O'Neil, blending art, wellness, and school pride
- Specialized Playground Equipment for the 12:1:1 Program and the community at large
- Reading Pods/Flex Spaces at all three Elementary Schools
- GlowForge Laser at Algonquin Middle School
- Therapy Dog at West Sand Lake Elementary School

The 2025 Educator Award and 2025 Community Award recipients—nominated by peers, parents, and community members—will also be recognized at the Gala for their lasting contributions to our district and community.

By joining the Honorary Committee, you will help us reach our 2025 fundraising goal and ensure that innovative projects like these continue to enrich our students' educational experiences. As a member, your name will be recognized in the Gala program, and you will play an essential role in sustaining our mission of creativity, variety, and excellence in education.

Thank you in advance for your support and for helping us close this Gala season on a high note. Please also consider inviting friends and family to support this special evening. Together, we will continue investing in the future of Averill Park students.

With gratitude,

AIMEE CALIBERTE

President, Averill Park Education Foundation
